EDUCATION

Ph.D Candidate in Civil Systems Engineering

Universidad Politécnica de Madrid

2026

- Dissertation title: *Distributional and Environmental Extensions of the Input-Output Framework.*

Ph.D in Economics

The New School for Social Research

2024

- Dissertation title: *Essays on Interindustry Prices and Living Standards.*
- Qualifying Fields: Political Economy and Econometrics.

Master of Science in Economics (M.Sc.)

The New School for Social Research

2020

Master of Arts in International Economics and Development (M.A.)

Complutense University of Madrid

2014

Bachelor's degree in Sociology (Licenciatura)

Complutense University of Madrid

2012

EXPERIENCE

Assistant Professor - Applied Economics

Departamento de Ingeniería Civil: Construcción

09/2026 - Present

Universidad Politécnica de Madrid

Climate change researcher

Departamento de Ingeniería y Morfología del Terreno

09/2023 - 08/2026

Universidad Politécnica de Madrid

Ph.D. Trainee in Distributional Wealth Accounts

Sector Accounts and Fiscal Statistics Section (SFS) European Central Bank

10/2022 - 08/2023

Junior Economist

Socio-Economic Impact Assessment initiative (SEIA) United Nations

11/2020 - 03/2021

Development Program (UNDP)

United Nations Volunteer

Socio-Economic Impact Assessment initiative (SEIA) United Nations

08/2020 - 09/2020

Development Program (UNDP)

Research Assistant

The New School for Social Research

08/2018 - 05/2019

Pre-doctoral Researcher

Department of Sociology II, UNED

12/2015 - 08/2016

Working Papers

- Ferrer, J. **“Distributionally extended input–output analysis (DE-IOA): A methodological guide to data compilation with an application to study industry shocks on living standards.”** Awarded with the *The Leontief Memorial Prize* in the 32nd Conference of the International Input–Output Association, 22–26 June 2026, Seville
- Ferrer-Hernández, J.; Torres-González, L. D. (2021) **“Eigenvalues and Eigenlabors. On Iliadiś, Mariolis, Soklis, and Tsoulfidis Explanation of the Empirical Regularities in Price Curves.”** *Working Paper 19/2021*, Department of Economics, The New School for Social Research.

TEACHING EXPERIENCE

Teaching Assistant	Graduate Econometrics
<i>The New School for Social Research</i>	01/2020 - 05/2020
Teaching Fellow	Political Economy of Populism
<i>The New School for Social Research</i>	08/2019 - 12/2019
Teaching Assistant	Graduate Econometrics

CONFERENCES & TALKS

- (2025) **10th Permanent Workshop on Input-Output Analysis, Hispanic-American Input-Output Analysis Society (SHAIO)**
Distributional Feedback Effects of Industry Price shocks: Linking Household Surveys and Input-Output Systems, September 4th, Palma de Mallorca (Spain). International conference.
- (2025) **XXV Meeting of The Society for the World Economy**
Quantifying the potential impact of geopolitical trade shocks on consumer prices in the EU, with José Antonio Pérez-Montiel, May 29th, Madrid. International conference.
- (2025) **Workshop Transformaciones del capitalismo contemporáneo (invited speaker)**
Sobre la promesa de un nivel de vida creciente. Tres regularidades empíricas y una hipótesis, Universidad Complutense de Madrid, January 29th.
- (2024) **Webinar of the Hispanic-American Input-Output Society (SHAIO)** Recording
Local drivers and global suppliers of GHG emissions from the city of Madrid, 2013-2019, October 10th.
- (2024) **10th Spanish Conference of the Hispanic-American Input-Output Society (SHAIO)**
Tracking local drivers and global suppliers of urban 3-scope GHG emissions: An application to the city of Madrid, 2013-2019, September 5th, Gijón. Winner of the Emilio Fontela research prize.
- (2024) **10th Spanish Conference of the Hispanic-American Input-Output Society (SHAIO)**
Distributional Feedback effects of industry-specific price shocks on the general price level, September 5th, Gijón. International conference.
- (2024) **ICEI & YSI Workshop on Alternative Approaches to Innovation in a Dynamic World**
Distributional Feedback effects of industry-specific price shocks on the general price level, March 7th, Madrid. International conference.
- (2022) **34th Annual Conference of the European Association for Evolutionary Political Economy (EAEPE)**
Real exchange rates and the profits-wages ratios, with Luis Daniel Torres-González, September 7th, Naples (Italy). International conference.
- (2019) **45th Annual Conference of the Eastern Economic Association (EEA)**
Are Markets Turning the Terms of Trade Against Growth?, February 28th, New York. International conference.
- (2018) **50th Annual Conference of the Union for Radical Political Economics (URPE)**
The Relevance of Interindustry Terms of Trade in the Development Process, October 2nd, Amherst (USA). International conference.
- (2017) **43rd Annual Conference of the Eastern Economic Association (EEA)**
Structural Change and Relative Price Dynamics in Advanced Economies 1995–2009, February 23rd. International conference.
- (2016) **XII Congreso Español de Sociología**
Efectos del progreso técnico sobre el empleo: el caso de las TIC en España 1995–2009, June 30th. National conference.
- (2016) **XV Jornadas de Economía Crítica**
Análisis de la escasa industrialización en África Subsahariana: desindustrialización y crecimiento de la productividad, March 10th, Madrid. National conference.

INVITED SEMINARS

(2025) **Título de Experto en Cálculo de Huella de Carbono, UPM:** *Extensión Ambiental del Análisis Input-Output*, March 7th (4 hours).

(2025) **Foro de Economía Política Comparada, ICEI-UCM:** *Distributionally extended input-output analysis (DEIOA): A methodological guide to data compilation with an application to study industry shocks on living standards*, October 3rd.

(2025) **Seminario GEAR, Universidad de Castilla-La Mancha:** *Repasando la evidencia sobre convergencia global de emisiones entre industrias y países, 2010-2022*, October 21st.

(2025) **Congreso de los Diputados, Madrid:** *Liderazgo de la Acción Climática en España. Buenas Prácticas a 2025*.

FELLOWSHIPS & AWARDS

Wassily W. Leontief Memorial Prize

Seville, June 2026

Awarded to the best paper presented at the 32nd International Input-Output Conference on Input-Output Analysis by a researcher under 40 for the paper *A Distributional Extension of the Input-Output Framework to Study the Impact of Price Shocks on Household Living Standards*

8th Emilio Fontela Research Prize

Gijón, September 2024

Awarded to the best young research paper presented at the 10th Spanish Conference on Input-Output Analysis for the paper *Tracking local drivers and global suppliers of urban 3-scope GHG emissions: An application to the city of Madrid, 2013-2019*

Fulbright Scholarship

Fulbright Comission

2016 - 2020

Harry Magdoff and Paul Sweezy Fellowship

The New School for Social Research

2018 - 2021

FUNDED RESEARCH PROJECTS

UNCONGHGCITY: Unconventional techniques for greenhouse gas inventories in cities. Application to the city of Madrid (TED2021-130457A-I00). Universidad Politécnica de Madrid.

PI: Sergio Álvarez Gallego. Funding: MCIN/AEI/10.13039/501100011033 and the European Union. Budget: 110,630€. Duration: 01/12/2022–30/11/2024. Team member (01/09/2023–30/11/2024).

EMCROTUR: Chronic Emergencies and Ecosocial Transformation in Touristified Coastal Spaces (PID2022-137648OB-C21). Universitat de les Illes Balears.

PIs: Macià Blázquez Salom; Ivan Murray Mas. Funding: Ministerio de Ciencia e Innovación (MICINN). Budget: 160,000€. Duration: 01/09/2023–31/08/2027. Team member (01/09/2023–present).

Reducir el paro estructural en España (CSO2014-59927-R). Departamento de Sociología II, UNED.

PI: Luis Garrido Medina. Funding: Ministerio de Economía y Competitividad. FPI predoctoral researcher (12/2015–08/2016).

OTHER MERITS

Thesis co-supervision: Co-director of the Master's thesis of Ramón Andrés Blandón Castillo, "Análisis de la Huella de Óxido Nitroso (N₂O) en España mediante el método input-output (IO)". Master de Estrategias y Tecnologías para el Desarrollo, UPM-UCM, February 2026.

Peer review: Reviewer for *Review of Radical Political Economy* and *Res Pública*.

UPM Carbon Footprint Team: Member of the interdisciplinary research team at UPM since 2023, contributing to carbon footprint calculations for various UPM departments and events.

Teaching materials: Co-author of teaching materials and technical resources for the *Curso Experto Huella*

de Carbono, Universidad Politécnica de Madrid, edition 2024/25.

Research stays: Erasmus exchange at the Department of Sociology, University of Warwick (2011/2012).
JAE-Intro research grant, Centro de Ciencias Humanas y Sociales, CSIC, Madrid (2010).

TECHNICAL SKILLS

R programming language, LaTeX/Quarto, MS Office.
